

Unlock Business Potential in Saudi Arabia!

Saudi Vision 2030 is transforming the economy, creating vast opportunities for foreign investors across diverse sectors.

Key Pillars of Vision 2030 and Investment Opportunities

Economic Diversification

- **Non-Oil Sectors Growth:** Expansion in manufacturing, healthcare, education, and financial services.
- **Key Projects:** NEOM, Red Sea Project, Qiddiya – open for foreign partnerships.
- **Opportunities in SMEs:** Support for startups and small businesses in emerging sectors.

Mega Projects and Smart Cities

- **NEOM City:** \$500 billion project focused on sustainability, technology, and innovation.
- **The Red Sea Project:** Luxury tourism development with a focus on eco-tourism.
- **Qiddiya Entertainment City:** Investment opportunities in entertainment, sports, and cultural projects.

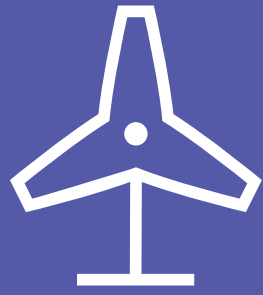

Privatization and Public-Private Partnerships

- **Privatization Initiatives:** Health, education, and transportation sectors are opening for foreign investment.
- **Public-Private Partnerships (PPPs):** Infrastructure development projects available for international collaboration.
- **Financial Sector Development:** Opportunities in banking, insurance, and capital markets.

Renewable Energy and Sustainability

- **Saudi Green Initiative:** Investment in solar, wind, and hydrogen energy projects.
- **Sustainability Goals:** Opportunities in waste management, water conservation, and green technologies.
- **\$50 Billion Investment Plan:** Focus on renewable energy infrastructure by 2030.

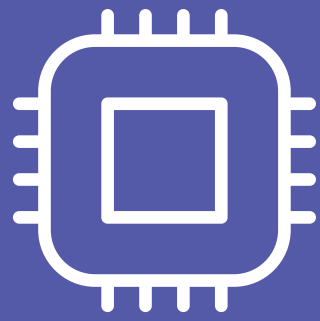

Tourism and Entertainment

- **Tourism Expansion:** Focus on cultural heritage, luxury tourism, and leisure projects.
- **New Tourist Destinations:** AlUla, Diriyah Gate, and Amaala are key areas for investment.
- **Hospitality and Retail:** Significant opportunities for hotels, resorts, and shopping malls.

Technology and Innovation

- **Focus on Digital Economy:** Investments in AI, fintech, cybersecurity, and IoT.
- **Innovation Hubs:** Riyadh Techno Valley and KAUST are centers for tech startups.
- **Government Support:** Grants, funding, and incentives for tech-focused foreign businesses.
